

## 30 Years, Pearl Necklaces and a New Steam Room?

### Pearl Necklaces?

After 30 years of serving our communities, Steamworks has a lot to celebrate and you can join us! This is the year of our pearl anniversary and we want to make sure you to get your very own pearl necklace! At our Chicago Club we have decorated the outside of the building with a larger than life pearl necklace! We are going to be giving away pearl necklaces all summer long and many other special 30th anniversary items! Be sure to check us out all summer long at any of our special events!

### 30/30/30

To celebrate our 30 years of being the country's hottest bath house we are offering a special 30 day V.I.P. Membership for \$30. This is your chance to see how the other half lives, treat yourself like a Queen and enjoy all the benefits of being a Gold Card carrying V.I.P. Member ... and for just \$1 a day. But you'd better hurry - we have a limited number of these special V.I.P. memberships available.

## **New Steam Room?**

Steamworks Chicago has always been known to have the hottest 'Wet Area' of any club in the country. With our incredible hot tub, motioned sensor showers, awesome Steam Room and dry sauna. It has always been the hottest place to hang out or meet someone new. BUT it just got better!

For the past few months, we have been undergoing a major renovation of our 'Wet Area', this time doubling the size of the steam room and dry sauna with a completely redesigned Steam/Dry Sauna Labyrinth!

This massive new and improved Steam/Dry Sauna Labyrinth is almost complete, and we expect to open it any day now. Rest assured tho, we definitely will be ready for Chicago's International Mr. Leather (IML)/Bear Pride Weekend at the end of the month!

We're not gonna post any pictures because it still looks pretty rough – still under construction and all --- and we want you to explore the space (and the surprises we've built into it) on your own.

Call the Chicago Club (773) 929-6080 for the latest status report.
